We are moving closer to the period of time God's Word calls [the war against the Saints](#).

Increasing tribulation from the worldly against God's elect in Jesus Christ will rise. **But**, dear Saint in Christ – our sure, eternal Hope – **think on this precious thought ...**

Regarding Charlie Kirk's passing and that which has taken place the past few weeks, consider this: *Step back* from today's setting and recall a reoccurring FACT of history (a fact which is once again repeating itself in the fuller *picture* of the Charlie Kirk story and which will continue taking place until our Lord's glorious return).

This "fact" of history: **Persecution against followers of Jesus Christ brings Him glory!** Just think about all the beautiful testimonies in response to Charlie's assassination. Jesus Christ has been greatly praised in all this! Even Vice President Vance testified to this in his personal life. IN APPLICATION ...

Let's foster a [more biblical mindset](#) than most of us hold today. (Yes, let's further conform to the image of our Savior by taking important steps of PERSPECTIVE as to daily walk in Christ.) Let's consider [His example](#), one which is most glorifying to our Heavenly Father. Let's build into our lives *crucial preparedness mindsets* whereby we're better positioned to face **further tribulation**, persecution & hate from a most satanic, worldly host. Remember, our Lord Jesus has called us to [endure](#). We're called to [stay the course](#) !

So I ask again: Are spooky, frightening days upon us? It depends upon your *p e r s p e c t i v e* ! We need to consider 3 paragraphs (on page 10) of our booklet titled, [Now The Rapture? Part 2a](#).

"Even now, today, the Rapture event is NOT the next event on the prophetic calendar, **biblically** speaking.* We are privileged with a similar honor His [Christ's] early followers experienced: reproach in Christ Jesus' name. Indeed, 'We must through many tribulations enter the kingdom of God.' May we respond in like fashion as did His first-century followers. They rejoiced in the fact '... they were counted worthy to suffer shame for His name.'

Perspective!

We are well served knowing we will face some difficulty in the days ahead. To know this | to be mentally prepared ahead of time will help us keep the eternal perspective in sight. This is not a day to deny the Lord Jesus. To do so is to play with one's eternal state. It sincerely is that important an issue. In fact, as we stated at the beginning of this brief address, it is indeed one of the most pressing issues of our day.

Let's take steps to better posture our perspectives on what is indeed coming. Will we, like the early church, also thrive in tribulation – in persecution from the world – OR will we miss this part of the blessed abundant life in Christ by fearing the darkness of the global system under *AX* – the antichrist?

* Note: No, the Pre-Trib Rapture will not deliver us from the wrath of man. The view offers an empty [false-hope promise](#) !
