September **Truth Matters!** posts ...

- 9/4 Times are changing. We are moving closer to the final confirmation of the Daniel 9:27 Covenant. While drafts **continue to be offered**, the official *making of the Covenant* will be confirmed with many for one week – 7 years. [e.g.] Until that time, the increase of worldwide unrest will continue to foster a vacuum in the minds of many, a vacuum which longs for – even calls for – global *peace and safety*. God’s Word is insightful second to no other epistemic source on this matter! A fair question, if I may: Is the contemporary global *peace maker* a present candidate for possibly being the *little horn* (in your eschatological considerations)? [ Added in late October: Please see our 10/11 *Truth Social* post on page 3 of this article. ]
- 9/11 Charlie Kirk was a conservative political figure, yes, but more than that, he was a Christian calling for battle against the increase of global evil. He was an outspoken follower of Jesus Christ, a man of God who touched the lives of many around the world. We continue to hear about some who persist in calling for dark, wicked action against true disciples of God Most High – even around the world. [ Ponder the growing persecution in Africa. ] What a day to be living in the days just prior to Jesus Christ’s initial appearing as outlined in Matthew 24:30 & Revelation 6:14-17. God’s Word has much to say about these – our – days! For your protection, stay in the Word of God for necessary protective help. Also consider other accurate Truth-based appeals. E.g., [www.TruthFoundations.org/1cio29.pdf](http://www.TruthFoundations.org/1cio29.pdf)
- 9/18 For insight concerning living the abundant life in Jesus Christ today, please look over our *Waves* documents. One ministry service we offer in these handouts – linked immediately below – includes help toward better discerning the days in which we live. Where are we in light of Bible prophecy? These docs help answer that question.

- 9/25 Mark Rubio’s comment about the 1<sup>st</sup> & 2<sup>nd</sup> Coming of Jesus Christ at the Charlie Kirk memorial on Sunday, September 21<sup>st</sup> was quite amazing. By God’s grace, we offer those who are interested in BIBLE TRUTHS concerning our *end of days*, helpful insight. We expose false end-time teachings (even popular teachings within some churches), we offer explicit Bible Truths concerning our days, we point folks to a trustworthy *voice* – the Word of God. Example: We ask the question, “Spooky, Frightening Days?” in a soon-to-post blog. Please take just a minute to check it out:

October **Truth Matters!** Posts ...

10/4 The main weakness of our (i.e., Endurance Ministries') *end of days* service is this: We don't have the resources to more effectively get our messages out. We don't have sufficient funding to place our articles on Internet search engines – e.g., Google.

In response, here's our request to you, our readers: HELP US improve circulation of our materials by telling your friends, family and church Family about our sites. May this be yet another effective *grass roots* effort. It can be IF you'd but help. Five key sites are: [www.EnduranceMinistries.online](http://www.EnduranceMinistries.online), [www.TheRaptureGathering.com](http://www.TheRaptureGathering.com), [www.EndMin.com](http://www.EndMin.com), [www.TruthFounations.org](http://www.TruthFounations.org) & [www.FinalTrumpet.online](http://www.FinalTrumpet.online).

10/11 I especially enjoy fall months. Cooling temps, my birthday & God's brilliant autumn colors are highlighted in my expressions of praise to our Father God. The full moon was glorious in those almost cloudless nights earlier this week. Truly, may יהוה God be praised. "Lord, Your Psalms are sure *spot on*. (E.g., Ps. 2, Ps. 19, Ps. 119) Thank You for them!"

10/18 **You tell us ...** (email your response to [email@endmin.org](mailto:email@endmin.org))

What's a **KEY** part of contemporary end-time chronology that's currently **missing**? Stated another way: What piece of the eschatological puzzle is yet to be placed before we can venture too far into Daniel's 70<sup>th</sup> Week? Hint: Consider II Thes. 2:1-12. While there are especially TWO missing pieces today, we are highlighting only one in this October 18<sup>th</sup> Truth post.

10/25 Let's be looking for actions which *loudly* call for the building of the end-time temple in Jerusalem. While artifacts have been gathered to conduct temple rituals | sacrifices, one required element yet to exist today is the actual temple itself – quite an important part of the full equation, wouldn't you say? Anyway, we are believing this detail of end-time Bible prophecy will begin very soon. We are calling it *the Temple Project*. The building of the temple is necessary to fulfill II Thes. 2 & Mt. 24:15. The next six months will see an increase in the news about this aspect of biblical eschatology.

**Our Truth Social posts in September & October are presented on the following page.**

**Truth Social** Posts in September and October ...

- 9/24 Given the days of the Pre-Tribulation Rapture THEORY are coming to a close (where the Pre-Trib. view will be forever labeled a false-hope prophetic end-time teaching), we make this appeal (based on God's explicit Word) :
- “The Rapture Gathering of the Church will NOT take place in October, 2025.”
- 10/1 By God's grace, we've been publishing excellent HELP of late. See [www.FinalTrumpetRaptureGathering.com](http://www.FinalTrumpetRaptureGathering.com) for insightful commentary blogs & [www.TheFinalTrumpetRaptureGathering.com](http://www.TheFinalTrumpetRaptureGathering.com) for devotional blogs. Examples: “Spooky, Frightening Days?” & “New Covenant Sacrifices” and others. Let us know what you think!
- And NO, the Rapture did not take place in September, 2025. (see our final *Truth Social* entry in August: [www.TruthSocial.com/@6TFTruthMattersTF6](http://www.TruthSocial.com/@6TFTruthMattersTF6))
- 10/11 There's been a lot of *talk* about the Gaza peace deal of late. Our take: This new round of peace appeals from global leaders (that is, the continuation of the *Abraham Accords* of late in the Gaza peace agreement) is NOT the final fulfillment of Daniel 9:27 BUT these peace efforts do represent incremental steps to the final making of the covenant – the one which will fulfill ALL of the (many) details tied to the Daniel 9:27 covenant. [ For additional chronological insight on this, please view [www.TruthFoundations.org/1asyn.pdf](http://www.TruthFoundations.org/1asyn.pdf). ]
- 10/24 We've had interesting response to our commentary blog titled, “Tell Us What YOU Think” this past month and a half. Please take just a minute to view this blog, one which further evidences the **failing** of one popular end-time position held in many Evangelical churches today. *Speaking His Truths in love*: [www.TruthFoundations.org/pre-trib-confusion.pdf](http://www.TruthFoundations.org/pre-trib-confusion.pdf). [ An update tied to the *Wormwood And The Rapture* concern – also addressed in the blog – can be found here: [www.TruthFoundations.org/ForkyMatters.pdf](http://www.TruthFoundations.org/ForkyMatters.pdf) ]
- 11/1 Note Well: The Pre-Trib Rapture of the Church did NOT take place in October, 2025. (see our 9/24 *Truth Social* post above) The Pre-Trib “imminence” doctrine is a false-hope “tradition of man” – Mt. 15:1-11. It is a deceptive, unbiblical doctrine leading many toward ill-preparedness. View the following PDF article to more thoroughly discern this crucial matter: [www.TruthFoundations.org/1cid4.pdf](http://www.TruthFoundations.org/1cid4.pdf).

Please email us IF you have comments or questions about the above commentary:
