

Early 2025 *Truth Social* Posting

By way of reviewing some of the key end-time Bible passages which are tied to early aspects of [Wave 2](#), we've decided to quote our *Truth Social* posts – posted in the first 5 months of 2025.

- Series 4 (January thru May) The Bible teaches the final part of the *end of days* unfolds in one generation. We developed this *truth* during our 3rd mini series – especially highlighting the very early events within our final generation. We call this portion of our end-time position, *the 1st Wave*. This 4th series focuses on the next part of that final generation period - a period which we're calling *the 2nd Wave*.
- TS26 As we begin our 4th mini series, we trust our “Waves” handout was helpful - see the URL in our 12/31/24 entry. KEY thought: BOTH chronology AND thematic concerns are important matters when considering end-time Bible Truths. Chronological & Thematic details are most crucial matters when considering end-time Bible data unfolding today. For a chronological example, view www.TruthFoundations.org/1C1.pdf.
- TS27 Did you discern | catch the basis (or source) we use for pulling together our chronological proposal? God's Word is our authority for safe living today – see www.TruthFoundations.org/1cid10.pdf. We present *end of days* protective Counsel found in the Bible. www.TruthFoundations.org/1cio9.pdf & www.TruthFoundations.org/1cio10.pdf provide help.
- TS28 Back to our 1st “Waves” handout – we have 3. Please examine this handout (www.TruthFoundations.org/1cio22.pdf) in light of our Lord Jesus' Counsel in Mt. 24:3-31. For insight, look over www.TruthFoundations.org/1cio1.pdf. Don't forget to include “Observations From Daniel” in your investigative journey – see www.TruthFoundations.org/1cio2.pdf. We pray you will be further protected from deception as a result of these articles.
- TS29 Friends, simply put: God knows the future. For clarity, prayerfully consider www.TruthFoundations.org/1cio11.pdf for sweet encouragement. As our loving heavenly Father, He desires to protect us from the many evil deceptions in culture today. See www.TruthFoundations.org/CB8C24.pdf for one “dangerous dogma.” We look forward to your response on this matter.
- TS30 Dear Christians, this is important: IF God's Word really is our authority for faith & practice, then we need to submit to it. For a challenge, please view www.TruthFoundations.org/1cid1.pdf. Another “tough love” appeal: www.TruthFoundations.org/1cid4.pdf. Moving on to contemporary end time Bible insight, prayerfully ponder www.TruthFoundations.org/1cio23.pdf. Please respond to the articles listed in our last few posts – on 1/12, 19 & 26.
- TS31 Amazing things are happening! God's prophetic Word is unfolding before our eyes. We are, without doubt, in the final part of the *end of days*. The AX (the antichrist) will be discerned soon. www.TruthFoundations.org/1cio38.pdf Tell us what you think! We're easy to dialogue with IF you'd but give us a

chance. Comment reply or ask your question(s) and we'll respond.

www.TruthFoundations.org/1cio18.pdf email@endmin.org

- TS32 Back to God's insights, regarding our days. While the basics of the Christian Faith are highlighted in *end of days* Bible passages, God's Word also emphasizes other most crucial matters – ones having eternal consequences. It's Valentine's Day! It's with loving care that we post the things we do. For clarity, view www.TruthFoundations.org/OurMotive2025.pdf RE: God's love – John 3:16 ... Romans 5:8 ... I Corinthians 13.
- TS33 What of imbalance and incorrect END TIME viewpoints? "Balance" is a huge word. Is your view on *end times* properly defined in light of God's explicit Word? Using an end-time matter (correct Christology – a True view concerning the Person & Work of Jesus Christ) as a helpful example, please view www.TruthFoundations.org/TF.com%20Our%20Concern.pdf. (More help for the *end of days* which we're in today will post soon.
- TS34 On end-time chronology: We'll use H.G. Spafford's lyrics to introduce our position. "And Lord, haste the day when the faith shall be sight, [1] The clouds be rolled back as a scroll, [2] The trump shall resound and [3] the Lord shall descend, 'Even so,' – it is well with my soul." (brackets "[]" ours) Jesus Christ's return will unfold in a 3-part manner. For biblical details, please visit www.TruthFoundations.org/1c9.pdf.
- TS35 In January (2025) we posted one URL stating THEMATIC aspects of biblical eschatology – www.TruthFoundations.org/1cio9.pdf. Before we further develop key end-time themes highlighted in the Word of God, what follows (by way of March posts) are a few more CHRONOLOGICAL facts about the end of days – factoids addressed here: www.TruthFoundations.org/1cio10.pdf.
- TS36 A short 'side bar' ... A note of clarification ... Our meaning of "factoids" in our 3/3 post (directly above) is 'brief statements of true information without taking the time to provide the adequate justification for the truths presented.'
- TS37 The clearest outline of end-time Bible chronology is found in Mt. 24. Jesus Christ knows what's coming. He graciously gave us protective insight concerning major end time events. Are YOU enjoying His Counsel? Are YOU reaping eternal benefits by heeding God's warnings about *the end of days*? For yet another expression of end-time Bible chronological predictions, visit www.TruthFoundations.org/CB9C24.pdf.
- TS38 Chronologically speaking, the end-time "Wave" we're currently experiencing – today, in early 2025 – is Wave 2: www.TruthFoundations.org/1cio23.pdf This 2nd Wave article also demonstrates the reliability of the Word of God when it comes to TRUE Prophetic Declaration. (For "Wave" context and insight as to where we're presently at in the "2nd Wave" era, please review www.TruthFoundations.org/1cio22.pdf.
- TS39 Many bring "accusation" today. Recall, dear reader, one of satan's [I don't capitalize his name intentionally] top character qualities is "accuser of the brethren." Our point: We live in a very satan-like day. And yet, the world

often scoffs at the claim “spiritual existence as outlined in God’s Word is a *real* reality – even more so than the physical world.” The state – of denying dark satanic presence – is tied to end-time deception. Beware!

- TS40 IF you’re not taking the time to seek the blessings found in pre-Easter Week meditations through quiet devotional contemplation of our Lord’s loving sacrifice for all of mankind, we encourage you to do so by reading John 1 – 11 (one chapter a day beginning tomorrow, April 1st). [Reading schedule: Tuesday, 4/1: John 1 ; Wednesday, 4/2: John 2 ; etc. Recall: God’s powerful Word does not return void! (Isaiah 55:8-11 ; Hebrews 4:12)]
- TS41 It’s well known: The Word of God came to earth for the purpose of freeing mankind from the bondages of the devil. As the Word of God, Jesus Christ seeks to deliver us from the lies of the dragon – deceptions which actually have eternal consequence. We’d be remiss if we failed to highlight yet another loving act of God for humanity: Christ is coming back to rescue us from the dark rule of AX – the antichrist (who’s going *public*, soon).
- TS42 IF you’ve not taken the time to seek the blessing found in Easter Week meditations through quiet devotional contemplation of our Lord’s loving sacrifice for all of mankind, we encourage you to do so by reading John 12 – 21 (one chapter a day beginning tomorrow, April 12). [Reading plan: Saturday, 4/12: John 12 ; Sunday, 4/13: John 13 ; etc. Recall: God’s written Word is True and forever settled in heaven! (Ps. 119:89, 160)
- TS43 We trust your Good Friday meditations were a HUGE encouragement given what God’s love through Jesus Christ brought – atonement for sin for those who, by faith, apply His sacrifice. BLESSINGS as you further ponder the GLORIOUS victory in our Lord’s resurrection – *He is risen indeed!* Blessed be the God and Father of our Lord Jesus Christ – Eph. 1:3a! (though Eph. 1:3b is sweet too ... John 10 abundance in Christ indeed)
- TS44 Returning to our 4th mini series on the “2nd Wave” ... Further THEMATIC end-time insight can be found by visiting our Devotional Blog page: www.TheFinalTrumpetRaptureGathering.com & our Commentary Blog page: www.FinalTrumpetRaptureGathering.com.
- TS45 We’re continuing with our 4th mini series, a series which informs on 2nd Wave chronological & thematic contemporary concerns – to be clear: concerns we’re presently facing today. We are in the *end of days* just prior to the public début of the man of sin. Daniel’s 70th Week is yet to unfold – a week which begins with the making and/or confirming of the Daniel 9:27 Covenant. www.TruthFoundations.org/1cio2.pdf
- TS46 Daniel’s 70th Week is a 7-year period which brings a heightened season of trouble upon the earth as the AX (antichrist) seeks to secure his rule. During this yet-future time, the following remains crucial: God’s people in Christ Jesus must continue 1) taking in His written Word, 2) abiding in the Incarnate Word & 3) walking in the Holy Spirit. Because supernatural activity will foster grievous apostasy, please review www.EndMin.com.

- TS47 Jesus Christ, thru the books of Daniel & Micah, also provides specific help for us TODAY, not simply during Daniel's 70th Week. Enjoy the following 2 articles which contribute to the 'enduring of the Saints' these next 5 years. Please share them with others. www.TruthFoundations.org/1cio7.pdf (insights from Daniel) & www.TruthFoundations.org/1cio24.pdf (insights from Micah)
- TS48 Before we conclude our more lengthy 4th mini series, we need to cite this fact: We've been presenting end time appeals for almost 3 decades. To date, we've not received ONE explicit Bible rebuttal against our end-time proposal. We welcome response on this matter. www.TruthFoundations.org/DV8C24.pdf www.EndMin.org www.TruthFoundations.org/1C1.pdf
- TS49 This 5/28 post concludes our 4th mini series on the 1st & 2nd Waves for now. Further insight on Wave 2 – our days – will be posted during the time when the antichrist seeks to further rule. View www.TruthFoundations.org/DB6A24.pdf where quotes from our 3rd mini series are posted. In preparation for a special August "2nd Advent" focus, visit www.TruthFoundations.org/1cio14.pdf.

Please email us if you care to respond to our *Truth Social* posts.
Repeat: We have been highlighting our position for 3 decades now and, to date, we have NOT had any Bible rebuttals to our end-time proposal. While good questions have been submitted (which we've answered), no biblical warrants have been presented which justify calling our position (*The Final Trumpet Rapture Gathering*) incorrect, biblically speaking. If you feel there are indeed explicit Bible *problems* with our view, it is **appropriate** for you to share your thoughts with us, especially if you're planning to go *public* with your critical evaluation(s).
