Short and to a specific expression of review in 2025 ...

Jesus Christ – as recorded in Mark 13 – teaches us to love God with our whole being. This article's emphasis on this matter is loving God with our MINDS.

“Lord, we praise You for Your many infallible proofs regarding Your interactions with man. Your evidence is sufficient for all even though most won't confess this reality. The warrants for Creation are amazing. Thank You for exposing the bankruptcy of holistic evolutionary theory. May we glorify You as we use the minds which You have graciously entrusted us. In Jesus Christ's holy name we pray, amen.”
