

A Fork In The Road ...

What Will He Do? Which Path Will He Take?

Here's the setting which brings us to this HUGE ***fork in the road***:

The fork in the road has been made by a certain author in his article, *Wormwood and the Rapture* – see the details [here](#). (the article of which we're referring is quoted on the **back** – 2nd – **page** of our article titled *Pre-Tribulation Rapture Confusion?*)

Note: IF this matter was not important, we would not take the time to address it.

Fact is: It is a very important matter, one tied to correct [preparedness](#).

Here are two *fork-in-the-road* options ...

Now that October has come and gone, this author has some options. We will highlight two major options – two *road options* at this fork – here in this article.

Option 1 Since the rapture did NOT take place during the 2025 Feast of Trumpets this past September nor did it take place in October, it could be concluded that it just might be the case that the **PRE**-Trib Rapture view is wrong.

OR, this author may choose a very different road ...

Option 2 Since the Pre-Tribulation Rapture event is True, it must be the case that the upcoming fly-by of Apophis is emphatically NOT the fulfillment of Wormwood – Trumpet # 3 in Revelation 8 (vv. 10, 11).

I would ask this author, personally, which road he has decided to take (not necessarily the two options above as there are other options) BUT he does not return my messages so I chose not to *overstay my welcome* and ask. Please know this dear Family in Christ: This author is choosing to retain a myth IF he decides to travel down the road of option # 2. WHY is it the case that we are calling the **Pre**-Trib Rapture a “myth”? There is not one explicit Bible passage which teaches this false-hope doctrine. Details are outlined [here](#).

God calls us to correctly prepare for His return. Materials which foster | promote biblically **correct** preparedness can be found on the following web sites:
