

MORE THROUGH '24

We are SO favored in Jesus Christ. He really has, in His generous mercy and grace, lovingly bestowed God's *heavenly blessings* to His sheep. God be praised.

As we enter this new year, God is impelling us to emphasize yet another Bible priority especially appropriate in these *end of days* :

While confessing God alone is Savior – we cannot save ourselves ... we cannot earn the favor of God ... our works 1. do not deliver us from the bondages of the kingdom of darkness and, 2. do not translate us into God's Kingdom of light – **we go on to proclaim:** God delights to use His children in His Son, Christ Jesus. This means, in part, this:

We want to promote **MORE THROUGH '24**. We gratefully stand on this 2024 platform:

It is God Who is at work in us both to will and to do His good pleasure.
(see Phil. 2:12, 13 ; also see how it is that we can be successful in this 2024 effort by looking over John 15 & Galatians 5:16-26 ; www.EndMin.com)

A bit more clarity regarding “more through '24” ...

By **MORE** we do NOT mean we want more **from** God. Instead, we want to GIVE more **to** Him as we press on as His living sacrifices unto His glory and praise. This means we devote more of our lives to His glorious things, not carnal, fleshly trivialities. Love motivates us to respond to God in grace-based obedience.

By **THROUGH** we do NOT mean a short-lived new-year goal. Instead, we endure in heightened resolve to live for God's purposes, not our own. This means we are more intentional in dying to ourselves daily and truly living as His Ambassadors through 2024, yes, AND through the rest of our lives. Stated yet another way ...

By **'24** we do NOT mean this worthy commitment concludes in 2024. Instead, we bow to Scripture which calls us to live in our new birth until our Home-going. This means we press on in our new birth and produce fruits in accord with our transcendent adoption. This means we die to our old nature and walk/abide in our new one as God's living sacrifices.

May our יהוה God Most High be praised and exalted in this 2024 effort!
