

# Explicit BIBLE VS. Bible Interpretation

## Let's *Discuss* ACTUAL End-Time Bible Insights !

( Handout 96 - 2022 © Copyright by *Endurance Ministries* )

As many Bible-believing USA Christians are tired of all the [LOSS](#) we've incurred due to society, in general, throwing off its Christian roots, so too am I sick and tired of the LOSS the Christian community is suffering as a result of putting eschatological theological opinion above the explicit Word of God. IF we would but allow Scripture to say what it actually says, we would not experience the fruits of end-time false teachings so popular in general Christian culture today. Instead of listing MANY evils that have come through these unbiblical viewpoints over the past few decades, I am simply going to highlight explicit Bible Truths, many actually coming directly from our Lord Jesus. Please accept these (His) Truths forever settled in heaven. Your life now actually depends upon it.

### On [Chronology](#), our Lord Jesus taught this ...

ACTUAL BIBLE Data from Matthew

Birth pains (or beginning of sorrows) come first	Mt. 24:4-8
Tribulation (from the world), along with other evils, come next	Mt. 24:9-14
Upon the setting up of the Abomination of Desolation, great tribulation follows	Mt. 24:15-22
Immediately after the tribulation of those days, astronomical signs unfold	Mt. 24:29
Following the signs, the Sign of the Son of Man occurs (also see Rev. 6:14-17)	Mt. 24:30
“Then,” as the Trumpet blasts of Revelation close, our gathering takes place (see Mark 13:27)	Mt. 24:31
Following the Bowls of Wrath (Rev. 15, 16), Jesus Christ's coming to the earth occurs	Mt. 25:31

### On [Thematic](#) end-time concerns, our Lord Jesus taught this ...

ACTUAL BIBLE Data from the Word

Due, in part, to deception, persecution and personal idolatry, apostasy mushrooms	Mt. 24:4-28
Unrighteousness abounds, as in the days of Lot and Noah (also see Luke 17:26-37)	Mt. 24:12, 36-44
Certain sins will flourish during the end of days, paving the way for God's righteous wrath	Revelation 2, 3
Enduring in Jesus Christ – as opposed to apostatizing – will be crucial (also see Hebrews)	Mt. 24:13
Fulfillment of Bible prophecy regarding the end of days (through events) will be awe-inspiring	Mt. 5:17, 18
Due to the satanic climate of the earth, the process of God's judgments will purge the earth	Revelation
Hope for those in Christ will hold fast; Despair for those who reject Christ will last forever	Titus 2:11-14
	Mt. 24:51; 25:46

The chronological events & themes above are not exhaustive. They do, though, serve to put a *frame* around other data from God's Word concerning the end of days just prior Jesus Christ's 2<sup>nd</sup> Coming – [a 3-part coming](#) in light of Bible information. On to a Truth-promoting, God-honoring, Christ-exalting, Bible-affirming, Church-edifying proposal ...

In conclusion, we at *Endurance Ministries* once again plead for a worthy gathering (at a weekend conference) where four popular end-time positions can be presented and examined. We challenge the Christian community to value God's end-time insight in these *end of days* just prior to Christ's initial appearing. Our suggestion: The four PreMillennial viewpoints would be:

I	Pre-Tribulation Rapture	
II	PreWrath Rapture	Any
III	Final Trumpet Rapture Gathering	Takers ?
IV	Post-Tribulation Rapture
